## ONDA

We all have an inner force.  
Tightly linked to our connections with nature,  
and with the sea...  
When unleashed, it unlocks new confidence  
to venture outside of the norms.  
To seek new things.  
To live a bigger life.  
And to see the joy in possibilities.

This is Onda.  
This is how we live.

## THE VISION

You know when something feels right. When it inspires possibilities and a connection with nature. And when it feels intimate and nurturing. That certain knowledge that is intuitive and natural. The satisfaction that comes from outstanding design, exquisite craftsmanship, or the timeless quality of a breathtaking view.

Onda is all of that and more.

That burst of joy of coming home to perfection.

## ABOUT THE ARCHITECTURE

Inspired by the shimmering waters of Biscayne Bay, Onda rises serenely from the shores of Bay Harbor Islands. Designed by award-winning Arquitectonica and landscaped by Enzo Enea, Onda is the latest project envisioned by Valerio Morabito and Ugo Colombo. Harnessing their Italian instincts for quality and style, the building boasts a mix of impeccably finished residences and penthouses, set within seven perfectly formed stories.

Overlooking the bay and its private moorings, the signature curves of the building exterior create an understated luxury that belies the charm of Onda's enviable location. Step inside from the shore to discover large, inviting terraces each with breathtaking views of the bay and its myriad possibilities. Meanwhile the exquisite craftsmanship of the interiors by interior designer A++ makes a discreet splash of its own.

## ABOUT THE NEIGHBORHOOD

As the delights of nearby Bal Harbour Shops may prove too much to resist, you'll find an abundance of luxuries right at home. Or you can leave the car in your garage and take a leisurely stroll down the paths of Bay Harbor Islands. Known for its peace and tranquility, this laidback corner of the island is home to the best neighbors one could have: rolling waves and ocean breezes. Two of the island's longest-standing residents, we can happily say no one has complained yet.
