

The background of the image features a gradient of colors from dark purple at the top to light blue and orange at the bottom, suggesting a sunset or sunrise over water. Overlaid on this are several diagonal, semi-transparent stripes in shades of purple, blue, and orange. The text 'BRICKELLTEN' is centered in the middle of the image in a white, sans-serif font. The word 'BRICKELL' is in a larger font size than 'TEN', which is positioned to the right of 'BRICKELL' and has a horizontal line underneath it.

DEVELOPMENT TEAM

IBCORG

IBcorp Investments is a company that specializes in comprehensive financial services. The company began operating in 1998, acting as a conduit between Ecuadorian investors and capital and U.S. banks and the U.S. stock market. In 2005, operations were expanded to form IBcorp Brokerage House in order to further enrich the Ecuadorian market potential by providing advice and management of highly-diversified investment portfolios in global markets. Real estate, of course, held (and continues to hold) a strong platform for performance on a global scale. Currently, the company serves as the Ecuadorian brokerage house, with a large number of assets under management, and investment and business interests continue to grow and expand based on optimum benefits for the brands' customers. Current real estate experience has been in construction business development throughout the cities of Quito and Manta, as well as within the South Florida market. IBcorp has an International reach with offices in the United States, Ecuador, Colombia, and Panama.

WATERSTONE CAPITAL, LLC

For the past 20 years, Waterstone Capital, LLC has spent time identifying, recognizing and capitalizing on opportunities to expand and invigorate the South Florida market. Together with a strong in-house team of industry-leading architects, builders, lawyers, and designers, Waterstone Capital's reputation is built on innovative high-end residential, commercial and mixed-use projects. To date, the company's portfolio highlights include, St. Tropez, a 28-story, 96-Unit condominium in Miami Beach, Terrace Miami Beach, Sutton House, 945 Michigan Condo, and various million-dollar estate homes in Miami Beach. Commercial properties include various Family Dollar retail destinations, among other commercial developments. Waterstone Capital focuses on creating original, out-of-the-box spaces in areas adjacent to Miami's most high-profile locales delivering tremendous value and early market vision, enabling its properties to generate exceptional financial performance and contribute to the culture and landscape of Miami.

BC ARCHITECTS A1A, INC

For over 20 years, BC Architects has maintained a reputation of excellence, outstanding service and high client satisfaction in the Design Industry. A full service firm, we specialize in innovative designs, quality production and construction administration of residential, retail, hospitality, commercial and healthcare projects in both the public and private sectors. The firms consistent performance is based on our experienced team that has worked together for many years. BC Architects Principals; Lawrence Cohan, Vanessa A. Jimenez, Lucas E Cadavid, Terrence Conley and Director of Design Guido Brito, are integral parts of the team and projects in which they are involved. Their combined expertise strengthens their ability to provide quality solutions to complex projects in a professional and efficient manner. In addition, as a leader in the industry, BC Architects has the relationships to team with the finest designers, engineers, and general contractors in the region. Rather than think of Architecture as design of a physical area, we approach Architecture as an integral part of your business. Some notable projects to date include Akoya, Diplomat Ocean Residences, Biscayne Beach, The Spa Internazionale on Fisher Island, Gotham Steakhouse and La Cote at Fontainebleau.

CIVIC

CONSTRUCTION

With over 20 years of experience, Civic Construction focuses on various sectors of the construction industry including commercial, educational, hospitality and retail. The company's clientele consists of private individual, Industry and various government institutions. Civic's relationships with its clients, through repeat business ventures, have made the company's rapid and continued growth possible. Recently, the company been heavily involved in the construction of various hi-rise condominiums, multi-residential housing developments, multi-family town homes as well as custom luxury residences, restaurants and office buildings.

SALES & MARKETING

OneWorld Properties, led by Peggy Olin Fucci, is a Florida-based full service real estate brokerage firm specializing in the sales and marketing of luxury residential condominium properties worldwide. In 2008, OneWorld Properties was formed with the goal to create a new kind of brokerage with honesty, drive and enthusiasm that would deliver fresh and innovative ideas during the time of the failed real estate market. In 2010, Peggy Olin Fucci was selected to head the sales and marketing programs for ST Residential's nationwide real estate portfolio. As Senior Vice President and Director of Sales and Marketing for ST Residential, Olin Fucci created innovative sales initiatives for the entire ST Residential portfolio that included more than 10,000 condo units throughout the United States, selling more than \$5 billion in inventory in three years. OneWorld provides a unique approach partnering with developers from idea to strategy development to create an integrated sales and marketing program. We pride ourselves on our community connections with a team who has extensive knowledge and are well connected with the local and international market to deliver the best results for every project with superior service.
